Foundations
St Andrews Lutheran College is about to begin construction of its own Early Learning Centre, in readiness for a January 2015 start. Our Early Learning Centre will provide a safe, warm environment for young children to embark on their educational journey. Focused on developing the whole child and growing a love of learning within a nurturing environment where children’s curiosity leads them to discovery, St Andrews Lutheran College Early Learning Centre will provide a strong foundation for children prior to their entry to Prep.

Key Features
- Broad, integrated, caring and educational Early Years Learning program within a Christian context
- Child centred, caring, nurturing environment
- Focus on developing the whole child - social, emotional, physical, spiritual
- 3 Rooms – 1 room for children aged two and a half to three and a half years; 2 rooms for children three and a half years and older.
- Linked to the Educational Program of the College, providing an excellent transition to Prep
- Educational Program delivered by qualified and dedicated teachers
- Early Literacy and Numeracy understanding developed
- 48 weeks of the year
- Long Day Model available
